

Sponsoring Teacher: Abdesalam ZOUITA, Lâayoune, Morocco

Project idea: School Experience

Contribution from: Nasir Danzaria, Katsina College Katsina, Nigeria
Their Project title: Poor Performance in the classroom who is responsible?

Project ideas: This are some of the answers from a group of my students:

1. What are some of the potential problems that you face before joining your school?

Ans: My parents are poor so I find it difficult to join my since I have to look for something outside to sustain myself.

2. Are there any criteria that a potential student should have to join your school?

Ans: He only needs to pass an entrance Examination.

3. Do you need to have a test? Ans: Yes

4. Do you need to have a CV, recommendation letter, or resume for enrolling in this school?

Ans: No, Only your credentials

5. Who is responsible to be subscribing to school?

Ans: Parent and Government

6. Is the school in your native town? Ans: Yes

7. How far is it away from your home or hometown?

Ans: It is not far, because it is inside the town

8. What are the available streams of studies at school? Ans:

9. Does your school have any boarding- school? Ans: It was abolished of recent.

10. Are you supposed to stick the bylaw system of your school? Ans: Yes

11. Does the absence count in assigning marks, Ans: Yes. One has to get 75% before exams

12. Who is in charge to manage the relationships vertically and horizontally within your school?

Ans: Administrators/Teachers

13. How many years are you supposed to spend at school? Ans: Three years

14. Are there enough facilities at school? Ans: They are manageable

15. Do you have any students' corner at school? Ans: Yes but before boarding was abolished

16. What are the different offered opportunities, once you have finished this year or the coming years?
Ans: You proceed to the next level

17. Do you think your school provides more chances for your professional growth? Ans: Yes

18. Don't you think it would foolish spending these two years of studying is a foolish idea?

Ans: It is not a foolish idea because we are being trained to become patriotic citizens.

19. What are the subjects that you take within these two years?

Ans: Variety of subjects e.g Humanities and sciences

20. Are they compulsory or optional?

Ans: Some are compulsory while others are optional

21. Is there any national exam you need to take by the end of the year?

Ans: Yes at the end of the final year e.g NECO and WAEC

22. Would you consider the time spent at school as internship time? Ans:

23. What are the obstructions that you may face once you have completed your two years? Ans:

24. Do you think that it is too early to leave your family for studies? Ans: No

25. Do you think a subject that should not be taught at school, whereas there are others that should be included in the syllabus? Ans : No

26. How would you evaluate your experience in your school, be it, a high school, post-high school, or a college/ university? Ans: It is quite interesting as we interact with friends

27. How would you advise the newly recruited to do? Ans: To be law abiding and concentrate on their studies

These are some of the activities in our school: See attachment.

My regards to every member. Pls. We are working on Electronic or Book dictionary project.
